

## COSTER DE L'ALZINA

### Red Wine

**91 points in Peñín'23**

**El Coster de l'Alzina 2017** is a **limited edition** wine from **Celler Aixelà i Alcait**, crafted exclusively from **old-vine Cariñena (100%)** deeply rooted in the **llicorella** (slate) soils of the **Priorat**. Fewer than **1,000 bottles** were produced, making it an **oenological gem** for lovers of distinctive wines.

Fermentation took place in a **1,000-liter stainless steel tank**, followed by **12 months of aging in French oak barrels** (500 and 300 liters) with medium grain, which preserve the **varietal character** and **mineral expression** of the wine.

The old-vine Cariñena delivers **intense slate notes** and a remarkable **balance on the palate**, combining **concentration, freshness, and structure**.

Awarded **91 points** in the **Peñín Guide 2023**, this wine is available in **two vintages: 2017 and 2018**.
