

PARDELASSES

Red Wine

91 points in Peñin'23

Pardelasses is a balanced and expressive wine from **Celler Aixelà i Alcait**, made from **50% Carignan** and **50% Grenache**, sourced from old vines carefully cultivated in the **slate soils of Priorat**.

Fermentation is carried out **separately for each variety** in **1,000-liter tanks**, allowing the individual identity of each grape to be preserved and enhanced. The wine is then aged in **oak barrels of 500, 300, and 225 liters**, where it matures without losing freshness or character, always respecting the vineyard's expression.

The combination of **Grenache and Carignan** results in a perfect fusion of **minerality and typicity**, faithfully reflecting the **llicorella landscape** that characterizes Priorat.

Awarded 91 points by the **Peñín Guide 2023**, **Pardelasses 2018** stands out as an **excellent value** for its quality.
