Volume: 750 ml

Farming: Organic

Varieties: 100% Monastrell

Production: Aged for 6 months in 500L French oak barrels

Awards and recognitions:

89 points Peñín 2024

Volalto is an organic red wine made from 100% Monastrell grapes, aged for six months in 500-liter French oak barrels. It comes from bush-trained vineyards aged between 30 and 60 years, located at 900 meters altitude in the northern Jumilla region, in the Valle de Hoya Torres.

The nose is captivating, with wild red fruits, plums, ripe figs, and aromatic herbs. On the palate, a pronounced acidity gives the wine a lively flow, while the oak contributes toasted nuances that blend harmoniously with notes of licorice and chocolate.

This is an elegant and expressive wine, with an honest and fresh character that will win you over instantly.
