Desierto is a single-vineyard red wine made by **Azul y Garanza** from 100% Cabernet Sauvignon, organically grown on plots bordering the Bardenas Reales Desert in Navarra. The extreme conditions of this environment—poor soils, arid climate, and wide temperature swings—result in very low yields (500–1000 kg/ha) and a highly limited production of just 2,500 bottles per year.

The wine is aged for 18 months in 500-liter French oak barrels, enhancing its complexity without masking the expression of the land. Deep in color with purple highlights, it shows exceptional power on the palate. Blackberry, plum, cherry, and wild red berry flavors are abundant, underpinned by pronounced minerality. With full body and firm tannic structure, it is a deep, elegant, and persistent wine.
