Seis is an organic red wine with aging, made by **Azul y Garanza** from 100% Merlot grown in vineyards surrounded by biodiversity in the arid environment of the Bardenas Reales Desert. The extreme climate, poor soils, and strong temperature variations between day and night promote slow, balanced ripening, resulting in highly concentrated grapes.

After 12 months aging in large French oak foudres (1,000 and 3,000 liters), the wine gains elegance without losing freshness. Aromas of ripe black fruit blend with subtle notes of well-integrated wood. On the palate, it is silky and flavorful, with soft tannins and acidity that balances its power.
