Vitis is a young organic white wine made by **Azul y Garanza** from Garnacha Blanca and Viura grapes grown in the poor, arid soils of the Bardenas Reales Desert in Navarra. The extreme climate and temperature swings between day and night promote balanced ripening and excellent aromatic concentration.

Garnacha Blanca contributes fruity expression and freshness, while Viura adds structure and body, resulting in a complete and harmonious wine. Notes of ginger, green apple, and citrus stand out, making it an ideal choice for lovers of vibrant and straightforward white wines.
