- **Silver Medal at Estella-Lizarra Organic Wines 2016**

**EGIARTE CRIANZA 2021 BIO** is an organic red wine made from tempranillo and cabernet sauvignon, aged for 12 months in barrels after fermentation at 28 °C and a 15-day maceration.

With 14% alcohol content, this crianza offers a structured and balanced profile, where ripe fruit merges with spicy, smoky, and floral notes.

Tasting notes describe a deep cherry color; the nose is expressive and complex, with hints of candied fruit, spices, and wood; on the palate, it's fleshy, fruity, fresh, and flavorful, with remarkable overall harmony. Produced according to organic farming principles and without unnecessary additives, it contains naturally occurring sulfites.
