Vinification: Cold maceration with skins and free-run juice without pressing; pasteurized with no additives, unstabilized and unfiltered

Contains sulfites: No

Awards and recognition:

- **Gold Medal, Ecomosto La Rioja 2019**

Lezaun Mosto BIO is a natural grape juice made exclusively from organically grown Garnacha Tinta, with no additives, stabilizers, or filtration of any kind. Its production method preserves the full freshness and fruity expression of the must: the grapes undergo cold maceration with their skins, and the juice is extracted without pressing, maintaining its natural qualities intact before pasteurization.

An ideal choice for those seeking a natural, healthy, alcohol-free beverage—crafted with the care and quality of a well-established organic winery.
