DENOMINACIÓ D'ORIGEN

## CABIROL

**Type:** Organic red wine with aging

**Winery:** DIT Celler

**Origin:** Montsant (Catalonia, Spain)

**Volume:** 750 ml

**Farming:** Organic

**Grapes:** 100% Garnatxa

**Aging:** 6 months in oak barrels

Cabirol is an organic red made from 100% Garnatxa, sourced from vines between 20 and 75 years old, planted in the Llaberia Natural Park in the Montsant D.O. Surrounded by forest and biodiversity, the vines are cooled each afternoon by the *marinada*, a Mediterranean breeze that brings natural freshness to the wine.

Free-spirited like the roe deer it's named after, Cabirol is flavorful, intensely fruity, and easy to drink. The six months in barrel add elegant spicy notes that blend with red fruits like blackberry, raspberry, and cherry. On the palate, it's silky, with lively acidity and a smooth, balanced flow.
