

## SELENITA

**Type:** Organic red wine with aging

**Winery:** DIT Celler

**Origin:** Montsant (Catalonia, Spain)

**Volume:** 750 ml

**Farming:** Organic

**Grapes:** 100% Garnatxa

**Aging:** 12 months in oak barrels

Selenita is an organic Garnatxa red aged for 12 months in oak, crafted by DIT Celler, the first organically certified winery in Montsant. The vines, between 20 and 75 years old, grow in the Llaberia Natural Park, where the *marinada*, a gentle Mediterranean evening breeze, cools the vineyards and brings a distinctive freshness to the wine.

This is an elegant, vibrant, and intense wine, with acidity that adds brightness and enhances the fruit. A full year in barrel brings toasted and spicy aromas that are seamlessly integrated. On the palate, it's silky, well-balanced, and finishes long.
