

# 100PALOS

## RED GRENACHE. BARREL FERMENTED

100Palos is an exceptional wine from Menchaca Wines, crafted from century-old vines grown in various plots of the winery. This first vintage, harvested in September 2020, is a limited edition with only 200 cases available.

The wine was fermented and aged for 12 months in French oak barrels, giving it unique complexity and elegance. The artisanal production process, including hand harvesting in 15 kg boxes and the use of native yeasts, ensures that each bottle is an authentic expression of the terroir and the time dedicated to its creation.

100Palos also stands out for its attention to detail: aging in French oak barrels provides a round structure and smoothness on the palate, while bottling with individually tested natural corks guarantees superior quality.

With a production limited to 200 cases and similar quantities expected for future vintages, 100Palos is a true gem for lovers of handcrafted and exclusive wines.

**Packaging:** 6-bottle wooden case

**Available vintages:** 2020, 2021
