

MEMORIA

**Aged Red · 95% Garnacha · 3% Cabernet
Sauvignon · 2% Syrah**

MEMORIA is the most expressive aged wine from Bodega Mendiko, crafted predominantly from Garnacha and refined with small amounts of Cabernet Sauvignon and Syrah. Its 14-month aging in oak barrels lends depth, texture, and remarkable aromatic complexity.

Garnacha, the undeniable star, provides a ripe and enveloping fruit base, while the other varieties add subtle structure and nuance. Time in barrel brings out spicy, balsamic, and toasted notes that complement the fruit without overshadowing it.

MEMORIA is a layered wine, designed to be savored slowly and thoughtfully. Ideal with game dishes, braised meats, or aged cheeses.
