MONASTEL DE RIOJA

Our winery offers the exclusive opportunity to taste the only wine in the world made from Monastel de Rioja, a truly local variety.

This grape variety produces medium-sized, compact clusters with large, spherical berries that deliver high acidity, elevated alcohol content, and moderate color intensity.

Only around 1,200 bottles are produced per vintage of this organic wine, which is aged for 11 months in new 500-liter Tronçais French oak barrels.

Generous and full-bodied on the palate, the nose reveals a highly spiced profile with subtle balsamic notes, giving it a truly distinctive character.

Harvest

Vineyard planted in 1997. Grapes handpicked into 15 kg boxes, manually destemmed.

Aging

11 months in new 500-liter Tronçais French oak barrels.

Vintages

2018, 2019, 2020, 2021, 2022, 2023
