

BODEGA ANECHA

Peña el Gato

CLÁSICO

A single-varietal Garnacha red wine from the old family vineyard of the same name, which forms the backbone of the winery's production.

This is a wine of place—clearly expressing the greatness that Garnacha can achieve in this region. It represents 7.31% of Rioja's red vineyard surface.

The vineyard, planted with southern exposure at 650 meters above sea level, lies on poor, shallow soils. Farmed organically, the grapes reach the winery in just over five minutes and are fermented in 500-liter Tronçais French oak barrels, where the wine rests for about 11 months.

The *Peña El Gato* family of wines is also available in Amphora- and Granite-aged versions, each seeking the most faithful expression of the variety.

Harvest

Vineyard planted in 1917. Grapes handpicked into 15 kg boxes, manually destemmed.

Aging

11 months in 500-liter Tronçais French oak barrels.

Vintages

2018, 2019, 2020, 2021, 2022
